As the Founder and CEO of CARROLL, my journey has been one of forging pathways to success while remembering the importance of giving back.

My story finds its roots in the Boys & Girls Club, a place that not only ignited my passion for basketball but also kindled the spirit of philanthropy within me. Today, my focus goes beyond property investments and business strategies – it encompasses making a positive impact on young lives.

The "Kicks for Kids" initiative stands as a testament to my commitment. Collaborating with the Boys & Girls Clubs of America, I've orchestrated events that deliver more than just shoes; they provide a gateway to dreams. It's about nurturing confidence and empowering children to stride forward without limitations.

But my philanthropy isn't confined to footwear. I'm a proud supporter of C.A.R.E. for Special Children, offering \$1.5 million to uplift families navigating the challenges of raising children with special needs. These are causes close to my heart, reflecting my belief in hands-on involvement and tangible support.

My philosophy extends beyond my company's balance sheet. Recognized with the 2019 Stan Dobbs Award, I've made it a mission to catalyze community growth. CARROLL's success goes hand-in-hand with giving back, a principle that echoes in the partnerships we build and the lives we touch.

From my humble beginnings at the Boys & Girls Club to steering CARROLL's growth, I've remained unwavering in my values. My journey is a testament that the trajectory of success is not just a solitary climb; it's a hand reaching out to uplift others.

As I stand here today, my impact echoes through the lives touched by "Kicks for Kids," by the families supported through C.A.R.E., and by the communities shaped through
